

## December InSpire article – Legacy Giving

### Your Legacy Carol

Most of us have a cherished Christmas carol(s), and favorite verses or phrases from those carols. I always welcome the special feelings in Advent that come from revisiting these lovely melodies and their messages of joy and hope. Singing the verses remind us of our families, friends, and the faith we share together at (church).

You can share your devotion to (church) with future generations through a legacy gift. In a sense, you may compose your own “legacy carol.” Through a bequest, life income arrangement or retirement plan beneficiary designation, you will enrich (church)’s future. Through your financial planning today, you may design a future gift for (church) to

- delight the senses through art and music
- share community fellowship and outreach
- preserve our spiritual home
- nurture young hearts and minds

What will your legacy carol be? To discuss a Legacy Gift, or inform us of your intent already in place, contact Val Walker, 612-230-3337 or [val.walker@numf.org](mailto:val.walker@numf.org) Legacy Giving – touching lives.
