

MNUMF - “Marking Milestones”

Marking Milestones

Family and personal milestones are moments of celebration and reflection. Why not consider a special gift to your church and/or Minnesota United Methodist Foundation to mark such an occasion? Outright and planned gifts, or a combination of those options, will provide special legacy funds for church programming or for facilities and operations. Births, graduations, anniversaries, promotions, remembrances of loved ones and cherished friends – these and other milestones remind us of God’s grace and our community of faith.
