

MNUMF Legacy Giving article 2015

Living Beyond Ourselves

“My spiritual home” “a special place” “long-time friendships formed here”

These are just a few of the reflections our members have shared about their experiences at our church. This special community of faith touches lives through prayers and worship, outreach service and social relations. We are blessed by the gifts of spirit, talents, time and financial resources you share, following the examples of generations past. In turn, we can enrich the experiences of future members, “living beyond ourselves” through a heartfelt estate gift to your church and/or Minnesota United Methodist Foundation.

We recall with gratitude those who have shared life journeys with us, as members, clergy and staff. In your financial planning today, you may help ensure vibrant ministries for the future. A bequest provision, life income gift, beneficiary designation in a retirement plan, or other planned gift will leave a lasting imprint. To explore options for a Legacy Gift, or inform us of an intention already in place, contact Val Walker, Executive Director, Minnesota United Methodist Foundation, (612) 230-3337 or val.walker@mnumf.org
